

Bluetooth Compatibility

Your favourite tracks, at your fingertips. Pair your smartphone or tablet with the DHT-S316 to stream music via Bluetooth.

Denon Dialogue Enhancer

Never miss a word of your favourite TV show or movie. Denon Dialogue Enhancer improves dialogue intelligibility - ideal for movies and TV shows. Turn up the dialogue without having to adjust overall volume.

Dolby Digital and DTS Decoding

Denon Virtual Surround mode delivers home cinema surround sound simulation with Dolby Digital and DTS Decoding from Blu-ray, DVD, DVB and other surround encoded media. Advanced psychoacoustic algorithms realistically simulate a multi-channel home theatre surround sound speaker system. Enjoy immersive surround sound from a sleek, compact bar.

HDMI with ARC (Audio Return Channel)

Send audio from apps built into your Smart TV and other sources via the Audio Return Channel (ARC) on the DHT-S316 and a single HDMI cable (included). Also enables control of the Denon DHT-S316 via your TV's remote control.

Low-Profile Design

At just 5.5 cm tall, the Denon DHT-S316 fits most spaces and can be placed front of your TV without blocking your TV's bottom edge or IR remote sensor. It's also easy to wall mount with the included mounting template.

Theatre-Quality Sound

Immerse yourself in theatre-quality sound with the Denon DHT-S316 sound bar and wireless subwoofer. Dual mid-range drivers, detailed crisp tweeters and Dolby DTS elevate your sound from a low-profile design.
